KYIV, UKRAINE

### EXPERIENCE

02

2014 - Present

#### Freelance Motion Graphic Artist

Crafted a wide range of videos and animations for branding, web design, television commercials, music videos and special events.

2023 - 2025

#### Peanuts Creative Studio

Developed a wide range of animations, with a focus on Lottie animations for web and mobile applications. Worked on projects for notable clients such as Payoneer, Mishloha App, and DIG, creating branding assets, UI/UX animations, marketing visuals, explainer videos, and promotional content.

2022 - Present

#### Gyman Studio

Produced a wide array of 2D animations for branding, marketing, and explainer videos, enhancing visual storytelling and aligning with client objectives.

2019 - 2025

#### BlackShift Studio

Developed animated commercial and explainer videos for startups and individual clients, delivering engaging visuals and impactful storytelling.

2015 - 2017

#### equeo GmbH

Implemented motion graphic skills to create e-learning videos for local sales departments of clients such as PepsiCo, Jacobs, Henkel, Unilever, NYX, and L'Oréal.
